DETAILED ACTION

Response to Amendment

1. The Examiner has carefully considered Applicant's amendments and accompanying remarks which are made of record. All previously applied rejections have been withdrawn as they do not provide for the limitations set forth in the claims. All cited references have also been considered.

Allowable Subject Matter

2. Claims 1-19, 24-26 and 29-33 are allowed.

3. The following is an examiner's statement of reasons for allowance: Taking into consideration Applicant's in-depth analysis of the cited art and the differences brought forward it is the position of the Examiner that the cited prior art of record fails to provide for the claimed air bag's structure, compositional along with the spatial dimensional limitations as set forth in claims 1 and 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
